Air Scrubber

BY AERUS

WITH CERTIFIED SPACE TECHNOLOGY™

ActivePure® Technology that attaches directly to the HVAC system ductwork to remove air pollution, VOCs, surface contaminants, pet dander, odors and dust, resulting in a cleaner, healthier and more efficient home. The perfect solution for homeowners and businesses who want to reduce and eliminate harmful contaminants.

HOW IT WORKS

- Our proprietary ActivePure® Technology uses light waves and a catalytic process to produce scrubber ions that remove dust particles from the air
- Certified Space Technology continuously protects and purifies the air, and attacks contaminants on all surfaces
- Proven effective in University studies on various contaminants in the air and on surfaces
- Installed by a professional directly to the existing HVAC system ductwork
